

Aggressive Markets for Commercial Property & Casualty Risks

OUR MARKETS ARE AGGRESSIVELY PRICING ACCOUNTS, FOCUSING ON ADDING COMPETITIVE COVERAGE TERMS AND ENHANCEMENTS. WE HAVE THE ABILITY TO NEGOTIATE COVERAGE WITH OVER SEVENTY "A" RATED MARKETS; LET OUR EXPERTISE WORK FOR YOU.

Real Estate / Habitational

Offering Commercial General Liability and Property & Crime, we can expertly craft coverage that fits your insured's particular exposure. Examples of target classes include apartment buildings & condominiums, student housing, hotels & motels, retail stores, and warehouses.

Contractors

Whether your client is a general contractor or artisan contractor, building commercial or residential properties (including town homes and condominiums), we can create unique programs.

Environmental

Environmental insurance helps to protect against the broad-ranging liabilities imposed by federal, state, and local environmental laws and regulations. We work with several "A" rated carriers that have extensive environmental coverage experience, allowing us to offer coverage specially tailored by industry and size.

Property

Rate decreases and coverage enhancements can be found on all classes of business from habitational to manufacturing, to commercial and residential properties and catastrophic exposed risk. Our property team has access to all of the coverages your clients require.

Workers Compensation

We work with the top Workers Compensation markets to provide solutions to fit the needs of your clients – from small businesses to large corporations. Our markets provide coverage for a wide range of classes including retail, manufacturing, service, wholesale, construction, temporary staffing, transportation and more.

Product Recall / Product Contamination

Product recalls & contamination can greatly affect your manufacturing client's bottom line if they go without coverage. Our offerings cover an extensive range of consumer, industrial, pharmaceutical and commercial products.

Umbrella

Call us for quick turn around on any size umbrella. We can consider all classes and build limits from \$1 million to over \$250 million.

Unique Coverages

Our Large Commercial Casualty Department specializes in large, one-of-a-kind casualty risks, including products liability, commercial general liability, contractors liability, umbrella liability, pollution liability, public entities and many forms for unique coverages.

Through our network of professional contacts, we're able to write insurance for virtually any class of business, with risks large or small.
